## II. Jurisdiction

This Honorable Court has jurisdiction to hear all civil rights violation cases pursuant to section 1983 claims that allege the "deprivation of any rights, privileges, or immunities secured by the Constitution and [federal laws]" by state or local officials under 42 U.S.C. § 1983. The cause of action occurred at the Trowsdale Turner Correctional Center (hereinafter to be referred to as "TTCC") located in the Middle District of Tennessee at 140 Macon Way in Hartsville, TN; 37074. Therefore jurisdiction is lawfully established.

Section 1983 allows state or local officials to be found liable only when they ~~have~~ have acted "under color of any statute, ordinance, regulation, custom, or usage of any State or Territory or the District of Columbia." 42 U.S.C. § 1983. The Plaintiff is suing the Defendants under section 1983 for the violation of his State and Federal Constitutional or statutory rights including, but not limited to, Tennessee Code Annotated sections 41-1-103 and 104, as well as, United States Constitutional Amendments one, five, eight and fourteen.

Had Defendants No. 1, 2, 3, 4, 5 and 7 acted respectively in accordance with their contractual duties, obligations and responsibilities, the Plaintiff would not have been injured and/or robbed by "Defendant(s) 6" of most of his personal property. Furthermore, had Defendants 1, 2, 3, 4, 5 and 7 acted respectively in accordance with their contractual duties, obligations and responsibilities after the fact, the Plaintiff would not have been subjected to the continuous damages of his financial and emotional well-being.

## III. Prisoner Status

The Plaintiff is a convicted and sentenced state prisoner serving a concurrent life sentence with the possibility of parole.

#### IV. Statement(s) of Claim(s)

##### A. Eighth Amendment violation(s)

(1) The Plaintiff's initial Eighth Amendment claim arises from the Defendant(s) (1-4) negligent acts occurring at the TTCC on September 4, 2022, that allowed for the Plaintiff to be attacked and robbed by Defendant(s) 6 in Plaintiff's assigned cell location of Unit BB-127 at approximately 1 p.m., which required Plaintiff to undergo immediate outside medical treatment.

(2) The Plaintiff's subsequent Eighth Amendment claims are the continuational results of the former claim(s), only viewed from Plaintiff's treatment upon returning to TTCC from an outside hospital on September 5, 2022, as well as, the Plaintiff's duration of stay while in segregation Unit AA thereafter.

(a) Defendant No. 5 ~~neglected~~ neglected his duty to initiate an investigation into the attack and robbery on the Plaintiff, in lieu of, issuing a RCA (Refusing Cell Assignment) disciplinary report that placed the Plaintiff in segregation Unit AA;

(b) Defendant No. 4 failed in her duty to conduct and/or complete an exhaustive investigation into the attack and robbery on Plaintiff, or inform the Plaintiff of any conclusory determination(s);

(c) Defendant(s) 1-5 and 7 were all negligent in their duties by and for willfully ignoring any/all verbal and/or written request(s) for assistance and/or a resolution involving the Plaintiff's attack and robbery;

(d) Defendant(s) 2, 3 and 7 are all negligent in their duties to: ensure the delivery of Plaintiff's October 2022 clothing package; adequately resolve the issue concerning Plaintiff's missing and/or stolen clothing package; enforce TDOC policies and procedures;

(e) Defendant(s) 2, 3 and 7 are all responsible for the continuous deprivation of certain rights and/or privileges afforded by the United States Constitution, such as the rights to recreation time, access to grooming, cleaning, bedding and clothing, etc.

### B. Fifth Amendment violation(s)

(1.) Defendant(s) 1, 2, and 3 are responsible for the Plaintiff's "right to protection from personal abuse, corporal punishment, personal injury, disease, property damage, or harassment" according to Chapter 5, #11 of the CoreCivic TTCC Inmate Rules and Regulations Handbook. The Plaintiff was attacked and robbed on September 4, 2022, because there was no TTCC staff present to intervene; Plaintiff submitted a "Lost Personal Property Claim (Form 14-D)" to the property coordinator on September 7, 2022; an "Incident Report (Form 5-1c)" to CoreCivic HQ on or about September 12, 2022; and multiple "Two Way Message" and/or "Inmate Request Forms" to TTCC administrators.

(2.) Defendant(s) 1, 2, 3 and 7 are responsible for the Plaintiff's missing and/or stolen clothing package that was purchased on July 26, 2022, from Plaintiff's inmate trust fund account, the withdrawal amount was \$162.89.

The dereliction of duty ~~by~~ by the Defendant(s) to reconcile the Plaintiff's loss deprived the Plaintiff of his way of "life, liberty[s], or property[s], without due process of law...without just compensation."

On March 1, 2023, the Plaintiff was issued a check from Access Secure Pak in the amount of \$155.13, which was deposited into Plaintiff's trust fund account.

### C. First Amendment Violation(s)

On or about January 22, 2023, Plaintiff submitted a "Legal Library Request Form" for legal material(s) related to this complaint. On or about January 27, 2023, the Plaintiff filed a grievance pertaining to the inadequate legal library access to the courts. On February 20, 2023, Plaintiff submitted another "Legal Library Request Form" for Legal Materials. The Plaintiff has yet to hear back from anyone about either legal library requests and/or the grievance that was filed.

## Cause of Action

On September 4, 2022, at approximately 1:00 p.m., the Plaintiff seen an "unknown inmate" at the door of Plaintiff's assigned cell location in Unit BB-127. As the Plaintiff entered his darkened cell, the Plaintiff was hit on the left side of his face and knocked unconscious. When Plaintiff finally came to, several hours later, the Plaintiff instantly became aware of his injuries and immediately sought out prison staff to inform about the incident. And once apprised of the urgent state of affairs, an unknown correctional officer told Plaintiff to go to the prison infirmary where medical personnel should be awaiting the Plaintiff.

At some point during Plaintiff's injury assessment by unknown medical staff, an unknown senior ranking correctional officer arrived to interview and/or document Plaintiff's injuries regarding the incident. Upon finishing his interview and/or documentation of Plaintiff and his injuries, the unknown senior ranking correctional officer determined that Plaintiff should be transported to Vanderbilt hospital in nearby Lebanon, TN for further medical treatment. Two(2) subordinate correctional officers, one later identified by Plaintiff as "c/o Plant", were eventually assigned to transport Plaintiff to and from the hospital.

The Plaintiff was returned to TTCC from the hospital on September 5, 2022, at approximately 1:00 a.m., and was suddenly approached by Defendant Lieutenant "John" Jent with an unreasonable ultimatum to either go back to the assigned housing location of the incident (i.e. Unit BB-127), or be placed in segregation Unit A pending a RCA (Refusal of Cell Assignment) disciplinary report. The Plaintiff attempted to negotiate alternative solutions, such as placement on PIN (Pending Investigation) status or temporary medical observation, but instead, hesitantly agreed to segregation Unit A out of fear.

During the mid-morning hours of September 5, 2022, while in segregation Unit AA-114, Defendant Associate Warden Jacqueline Norman requested for Plaintiff to be escorted from his cell and brought to a room near the entrance of Unit AA pod for an

initial one-on-one discussion about Plaintiff's incident. The Plaintiff recited the accounts of the incident as he previously did to the senior ranking correctional officer while in the prison infirmary. Defendant Associate Warden Jacqueline Norman assured the Plaintiff that she would investigate the matter further. On September 6, 2022, Defendant Associate Warden Jacqueline Norman returned to segregation Unit A, along with two (2) unknown senior correctional officers, and again requested the Plaintiff's presence in an office near the entrance of segregation Unit A. It was conveyed to the Plaintiff that video footage had been reviewed, and Plaintiff was then asked about the identity of the individual he was speaking to at Plaintiff's cell door. The Plaintiff responded that he did not personally know the inmate and asked was the inmate involved with the incident, to which it was stated that that was the purpose of the inquiry. The Plaintiff was then suggestively questioned about any gang affiliation(s) and/or drug usage that he may have, and also informed that he will be receiving a drug screening later that day. The Plaintiff was eventually returned back to his assigned cell location in segregation Unit AA-114, and administered a drug test, to which was determined negative. The Plaintiff was also visited by TTCC disciplinary officials and continued the disciplinary report hearing for "Incident ID: 01548126", due to Defendant Associate Warden Jacqueline Norman's supposedly ongoing investigation.

The Plaintiff filed his initial grievance outlining the substance of his incident on September 7, 2022, while in segregation Unit AA-114 pending a RCA (Refusal of Cell Assignment) disciplinary report continuation of "Incident ID: 01548126", as well as a "Lost Personal Property Claim (Form 14-6D)" with the TTCC property coordinator. In between the days of September 12-14, 2022, the Plaintiff submitted a series of "Two Way Message(s)" to Defendant Associate Warden Jacqueline Norman concerning the status of her investigation; the TTCC property coordinator regarding a property claim reimbursement; and to the "Grievance Chairperson" regarding a "Level I response" to September 7th, 2022 grievance. On September 14, 2022, the Plaintiff ~~received~~ <sup>was issued</sup> another RCA (Refusal of Cell Assignment) disciplinary report (i.e. "Incident ID: 01549444"). And signed a continuation of disciplinary report hearing for "Incident ID: 01549444" on September 16, 2022; submitted another "Two Way Message" to Defendant Associate Warden Jacqueline Norman for "Investigation update"; and a "Two Way Message" to the TTCC Disciplinary Chairperson for appeal documents for

"Incident ID: 01548126".

On September 17, 2022, the Plaintiff filed another grievance regarding the failure to move his Level I grievance, surrounding his attack and robbery, to the Level II status. On September 19, 2022, the Plaintiff was issued another RCA (Refusal of Cell Assignment) disciplinary report ("Incident ID: 01550075"). On September 22, 2022, the Plaintiff was found guilty, during a disciplinary hearing on "Incident ID: 01549444", of RCA (Refusal of Cell Assignment), and Defendants Associate Warden Jacqueline Norman and Lieutenant "John" Jent were denied as witnesses due to the determination that neither had "nothing to do with this incident 1549444 RCA." On September 30, 2022, Plaintiff mailed a completed "Incident Report (Form 5-1c)" to the CoreCivic Headquarters, detailing the accounts of his incident. On October 3, 2022, the Plaintiff submitted a "Two Way Message" request to the Disciplinary Board Chairperson regarding the appeal of "Incident ID: 1549444" and later received a different cellmate in Unit AA-114, who obviously displayed suicidal tendencies, that lead up to Plaintiff being subjected to the deployment of chemical agents by the hands of TTCC Lieutenant LaRoderick McDavid, who was coincidentally also the reporting officer in disciplinary report "Incident ID: 01549444" and/or hearing conducted on September 22, 2022. Plaintiff was then instructed to move to Unit AA-126.

On October 18, 2022, the Plaintiff was issued another RCA (Refusal of Cell Assignment) disciplinary report (i.e. "Incident ID: 01554366") by Lieutenant LaRoderick McDavid. On October 20, 2022, the Plaintiff submitted another grievance requesting that both, Level I and Level II, grievances about his attack and robbery be "moved" to the "next stage of the process" due to the expiration(s) of time limit(s) "without the required response[s]". On November 8, 2022, the Plaintiff was issued another RCA (Refusal of Cell Assignment) by Lieutenant LaRoderick McDavid (i.e. "Incident ID: 01557450"), to which Plaintiff pled guilty to on November 10, 2022. On December 1, 2022, Plaintiff was issued another RCA (Refusal of Cell Assignment) disciplinary report by a TTCC Sergeant Chasity Mitchell (i.e. "Incident ID: 01560518"). The Plaintiff filed a grievance on December 2, 2022, concerning the Eighth Amendment violation(s) described in this complaint. On December 28, 2022, Plaintiff was issued another RCA (Refusal of Cell Assignment) disciplinary report "Incident ID: 01564396" by Sergeant Chasity Mitchell, to which Plaintiff pled guilty to on December 30, 2022.

The Plaintiff was issued another disciplinary report (i.e. "Incident ID: 01567608") for a RCA (Refusal of Cell Assignment) by Lieutenant ~~LaRoderick~~ LaRoderick McDavid on January 21, 2023. Plaintiff submitted a "Two Way Message" to Defendant Associate Warden Jacqueline Norman requesting a transfer, as well as, to the TTCC Classification Coordinator Mrs. Crawford requesting the same on February 8, 2023. On February 13, 2023, the Plaintiff submitted three (3) additional "Two Way Messages" to TTCC Administration inquiring into the possible placement of Plaintiff on "Administrative Protective Custody" status; to the TTCC Classification Coordinator Mrs. Crawford, requesting a transfer; and to TTCC Trust Fund department requesting a six (6) month transaction print out to accompany this complaint. The Plaintiff was issued yet another disciplinary report on February 15, 2023, for RCA (Refusal of Cell Assignment) by Lieutenant LaRoderick McDavid (i.e. "Incident ID: 01570646"). On February 20, 2023, Plaintiff submitted another "Two Way Message", this time to the TTCC CMO (Contract Monitor of Operations) inquiring into either the Plaintiff's placement on Administrative Protective Custody status and/or a transfer. On February 27, 2023, the Plaintiff was released from segregation Unit AA-126 and placed in general population Unit BA-103.

The Plaintiff submitted a CR-2727 "Personal Withdrawal Request" form on July 20, 2022, to TTCC trust fund department for the purchase of an Access Securepak clothing package in the amount of \$162.89. The monies for Plaintiff's order deducted on July 26, 2022, and mailed on August 4, 2022. Plaintiff was supposed to receive his ordered package sometime during the month of October, while placed in segregation Unit A. On November 1, 2022, Plaintiff filed his first grievance regarding the disappearance of his October package, and received no response. On November 11, 2022, Plaintiff submitted his second grievance regarding his missing package order, and also requested that the grievance be "moved" to the Level II stage of the process. On December 3, 2022, the Plaintiff received two (2) "Inappropriate Grievance Notification(s)" ~~per~~ that were both dated for November 21, 2022, and responding to both Levels I and II. The Plaintiff filed a third grievance with the Tennessee Department of Corrections on December 3, 2022, concerning the missing October package, as well as,

the multiple violation(s) of Tennessee Department of Corrections Inmate Grievance Procedures/Policies and U.S. Constitutional rights.

On March 8, 2023, Plaintiff submitted a "Two Way Message" request to Unit Manager Cherry seeking assistance with acquiring a "Notarized 6-mth. Trust printout" to accompany this complaint. On March 21, 2023, the Plaintiff submitted another "Two Way Message", as well as an "Inmate Request Form", to TTCC "Trust Fund Personnel" asking for a Notarized 6-month trust fund transaction printout to accompany this complaint.

The Plaintiff has been unable to obtain a notarized six month trust fund transaction to accompany this complaint through no fault of his own. In lieu of this fact, the Plaintiff has been able to piecemeal at least six previous months and calculate an average of \$70 a month, with a current balance of \$35 at the date of signing this complaint.

The Plaintiff would further submit that he has experienced continued neglect on the part of TTCC staff due to repeated lockdowns for unknown reasons, which leads to extended periods without access to showers, recreation, and/or legal material or assistance. The Defendant(s) are acting with impunity in their ongoing violation(s) of prisoner's United States Constitutional Rights.

## V. Injuries

The Plaintiff sustained a puncture wound to his upper-left bicep that required stitches; a bruised and/or blackened left eye; bruising on lower-left shin; and multiple bite wounds to the back left shoulder. In addition to receiving stitches, the Plaintiff also received a tetanus shot along with a full X-ray scan.

## VI. Relief Sought

The Plaintiff is requesting that this Honorable Court grant him the following relief and damages:

- (1) Jury trial; Leave to File an Amended Complaint (if necessary); Discovery; Leave to Proceed as an Indigent Person; a restraining order and/or a permanent injunction against CoreCivic, as a whole, and/or the Trowsdale Turner Correctional Center specifically, ~~starting~~ throughout the proceedings; and Compensation from:
  - (A) CoreCivic HQ in the amount of \$1,000,000.00 (one million dollars) for the actual and/or punitive damages that the Plaintiff endured at its TTCC facility, as well as, its negligent ownership and operation of a hostile prison/correctional environment;
  - (B) Warden Martin Frink in the amount of \$500,000.00 (Five Hundred Thousand dollars) for the ~~neg~~ actual and/or punitive damages that Plaintiff endured at the TTCC facility under his ~~own~~ negligent care;
  - (C) Associate Warden Jacqueline Norman in the amount of \$500,000.00 (Five Hundred Thousand dollars) for the actual and/or punitive damages that Plaintiff endured at the TTCC facility because of her negligent care;
  - (D) Lieutenant "John" Jent in the amount of \$500,000.00 (Five Hundred Thousand dollars) for the actual and/or punitive damages that Plaintiff endured at the TTCC facility because of his negligent acts;

(6) Trowsdale Turner Correctional Center staff et al. in the amount of \$500,000.00 (Five Hundred Thousand dollars) for the actual and/or punitive damages endured by Plaintiff at the TTCC facility because of their negligent acts;

(7) "Unknown Inmate(s)" in the amount(s) of \$25,000.00 (Twenty Five Thousand dollars) each for the actual and/or punitive damages endured by Plaintiff at the TTCC facility because of the assault and robbery committed; and the (8) Tennessee Department Of Corrections in the amount of \$250,000.00 (Two Hundred Fifty Thousand dollars) for the actual and/or punitive damages endured by Plaintiff at the TTCC facility because of its negligent care.

The Plaintiff also request any reimbursement of filing fees, copy fees, postage fees, and/or court costs associated with this complaint, along with any reasonable attorney fees, from the Defendants should a settlement be reached or a judgement be entered against them. The Plaintiff would also request any additional relief be granted by this Honorable Court.

## VII. Exhaustion of Administrative Remedies

The Prison Litigation Reform Act ("PLRA"), 42 U.S.C. § 1997e(a), requires that "no action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other facility until such administrative remedies as are available are exhausted."

(A) The Plaintiff's claim(s) arose while confined at the Trowsdale Turner Correctional Center at the time of the events underlying his claim(s).

(B) The TTCC has a grievance procedure

(C) The Plaintiff's grievance(s) cover some or all of the claim(s) in this complaint, which include his First, Fifth, Eighth, and Fourteenth Amendments to the U.S. Constitution.

(D) The Plaintiff filed each grievance relating to the facts of this complaint at the TTCC

(E)

(1) All grievances were filed at the Trowsdale Turner Correctional Center in Hartsville, TN 37074.

(2) The Plaintiff claimed: (a) an overarching negligence under the Eighth Amendment; the deprivation of property without due process under the Fifth Amendment; the denial of access to petition the government under the First Amendment; which (b) are all applicable under the Fourteenth Amendment of the United States Constitution.

(3) All of Plaintiff's grievances were deemed "inappropriate".

(4) All decisions were ~~appealed~~ appealed to the Tennessee Department of Corrections

(F) The Plaintiff also submitted a "Lost Personal Property Claim (Form 14-6D)"; two (2) "Incident Report (Form 5-1C)" to CoreCivic HQ; multiple "Information Request" and/or "Two Way ~~Request~~ Message (Form 65-0747)" to TTCC administration and staff members; and one (1) letter each to CoreCivic HQ and TDOC officials.

### VIII Previous Lawsuits

The "three strikes rule" bars a prisoner from bringing a civil action or an appeal in federal court without paying the filing fee if that prisoner has "on three or more prior occasions, while incarcerated or detained in any facility, brought an action or appeal in a court of the United States that was dismissed on the grounds that it is frivolous, malicious, or fails to state a claim upon which relief may be granted, unless the prisoner is under imminent danger of serious physical injury." 28 U.S.C. § 1915(g).

To the best of Plaintiff's knowledge he has not had a case dismissed based on this "three strike rule".

## IX Certification and Closing

Under Federal Rule of Civil Procedure 11, by signing below, I certify to best of my knowledge, information, and belief that this complaint: (1) is not being presented for ~~an~~ an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.

(A.) I agree to provide the Clerk's Office with any changes to my address where case-related papers may be served. I understand that my failure to keep a current address on file with the Clerk's Office may result in the dismissal of my case.

INMATE GRIEVANCE (continuation sheet)

DESCRIPTION OF PROBLEM: The injuries that I sustained during this attack required outside medical attention that resulted in multiple X-ray scans, stitches, and me receiving a "toe" shot. It is apparent that these kind of attacks are commonplace at this institution, because every staff member that I spoke to after I was attacked assumed that I was either "stuck" affiliated and/or involved with drug usage, and the attack was a direct result of my activities.

I immediately went to my attorney, I submitted a "wrongful death" request to the state's attorney, via "in-house" mail, and directly to the state's attorney via a call. I specifically outlined the reasons for the protest and was ignored. An institution said its staff are obligated by law to provide a safe and secure environment for the inmates in its care, and to accept no inmate in a way that is possible in accomplishing this goal.

As a result of my unprovoked attack, coupled with the injuries that I sustained and the callous/indifferent response that I received from this administration and its state inmates, I do not feel safe and secure, because history tends to repeat itself.

Per TDC Rule and Regulations Handbook, Ch. 5 (p. 39) subsection 11, "[I] have the right to protection from personal abuse, corporal punishment, personal injury, disease, property damage, harassment."

I have been subjected to the following violation of my rights to be protected from personal abuse, corporal punishment, personal injury, and property damage.

I am grieving the conditions of my treatment at this facility.

**INMATE GRIEVANCE** (continuation sheet)

DESCRIPTION OF PROBLEM: day the grievance begins to be processed" now permits me the opportunity to move my originally filed grievance filed and/or dated for 9/7/22 "...to the next stage of the process..." in accordance with policy #501.01(VI)(D) of the grievance procedures.

The substance of this entire grievance derives from the negligent practice(s) and inherently dangerous prison conditions that resulted in an assault and robbery incident on 9/4/22 in my assigned cell location of Unit BB-127 that required me to need outside medical attention, because security personnel was not present and/or vigilant in their duties.

And to add insult to injury, the callous mistreatment that I received from the senior security officials that were on shift, as well as the administrative and/or investigative personnel afterwards, only furthered my suffering because I was questioned in such a manner that made me feel like I was somehow at fault for my own attack.

T.C.A. § 41-1-104(b) plainly states that, the "custody, welfare, conduct and safekeeping of the inmates shall be the responsibility of the warden, who will examine into the affairs of the institution daily to assure that proper standards are maintained."

Therefore, while we could agree that the lapse in security measures at this facility had a direct affect on my personal well-being, the blatant disregard demonstrated by the ranking officials involved created a sense of unaccountability that enabled the permanent loss of most of my personal property.

The very fact that I am forced to "move" this particular grievance to the Level II stage of the process because no "required response" was given within the "seven working-day time limit" is an indication that responsibilities are being neglected without fear of accountability.

TENNESSEE DEPARTMENT OF CORRECTION  
INMATE GRIEVANCE (continuation sheet)

DESCRIPTION OF PROBLEM: previous stages "without the required responses".  
The origins of this grievance stem from a September 4, 2022 attack that I endured in between the hours of 1pm and 7:30pm in my assigned cell of Unit BB-127. My injuries were severe enough to require outside medical attention at Vanderbilt hospital in Lebanon, TN where I received stitches, x-rays, and a tetanus shot injection. During the assault, most of my personal property was also stolen as well.

I filed an initial grievance on 9/7/22, while in segregation Unit AA-114, complaining about the lapse of security measures that led up to the failure-to-protect me and my personal property, as well as, the negligent treatment that I received by Lt. Sent and later Aul Norman afterwards. I did not receive the "seven working-day" required response pursuant to TDOC policy # 501.01(G)(c)(1), which is Level I.

I filed my Level II grievance, according to TDOC policy # 501.01(G)(D), on 9/12/22, outlining the conditions and/or incidents previously stated on Level I and still did not receive "the required response" provided for in/by TDOC policy # 501.01(G)(c)(2).

Due to the multiple breaches leading up to my assault and robbery, combined with the multiple acts of indifference expressed afterwards by senior officials nonetheless it is no surprise that neither of my prior grievances received "the required responses". A "SIC Incident Report" was also mailed to Core Civic HQ on September 30, 2022, describing the above-stated events that occurred.

I am forced to resume my life in perpetually sent, because no one has been held responsible for my assault and robbery, to the best of my knowledge at least.

Distribution Upon Final Resolution:

White - Inmate Grievant    Canary - Warden    Pink - Grievance Committee    Goldenrod - Commissioner (if applicable)

INMATE GRIEVANCE

(continuation sheet)

DESCRIPTION OF PROBLEM: ~~is~~ being violated, along with my Fourth, Fifth, Eighth and Fourteenth Amendment rights of the U. S. Const.

My Level I grievance, pertaining to the "disappearance" of my Oct. Access clothing package, was submitted on 11/1/22 and deemed "inappropriate" for unrelated reasons on 11/21/22, but I did not receive the notification until 12/3/22 at approximately 8:30 a.m.

In accordance with TDOC policy # 501.01(VI)(c) and (D), I filed my Level II grievance on the same subject-matter ~~was~~ on 11/1/22, but it too was deemed "inappropriate" for unrelated reasons and dated for 11/21/22. And I also received the notification on 12/3/22 at approximately 8:30 a.m.

Nevertheless, I remain compliant with TDOC policy # 501.01(VI)(c)(3) and (D), by moving the grievance "to the next stage of the process" "within five calendar days of receipt of [Level II]", because re-submission would be unsuccessful due 501.01(VI)(c)(1) and previous attempts.

This is my second set of grievances filed in this manner where I have ~~had~~ had to undergo a loss of personal property at this facility alone since September 2022, but if no one is following policy and/or being held accountable, then what's the purpose of corrections.
